XCELL

Certificate of Analysis

- **Product Name** : CellCor™ DPC CD
- **Product Code** : YSP007
- **Lot No.** : P072601
- **Expiration** : 2027.01.27
- **Storage** : Below -20 ℃

Test	Specification	Result	Unit
Appearance	Clear and no turbid, Light orange to yellow color	Clear and no turbid, Light orange color	
pH	7.20 ± 0.30	7.23	
Osmolality	330 ± 30	324	mOsmol/kg
Sterility	Negative	Negative	
Endotoxin	<5.00	<0.10	EU/mL
Mycoplasma	Negative	Negative	
Performance	Pass	Pass	
Leak Test	Pass	Pass	
Labeling	Pass	Pass	

CAUTION

For Research and Further Manufacturing Use.

Not for human in diagnostic procedures.

The product is Animal Origin-Free Chemically Defined Media for hDPC.

Handling Instructions

Cell growth was assessed over a minimum of three subculture generation.

The product should be handled with care, not to cause bacterial or mold contamination.

Quality Statement

Xcell Therapeutics products are certified with ISO 9001:2015 and ISO 13485:2016, Manufactured and QC tested under a GMP compliance factory. The manufacturing & Quality System is in compliance with Good Manufacturing Practices for MFDS.
